A Cultural, Technical & Trade Bridge Between Japan & India

What's in our 'Kalpana'?

2018....A new year that is already on us now with all its hopes and aspirations. We will all optimistically imagine that the new year will be infinitely better than its predecessor. Our 'Kalpana' will be at its well-oiled best to improving ourselves, this new year.

Did you know that an Indian 'Kalpana' married into the Japanese first family is working hard at improving the India, Japan & US trilateral? Kalpana Abe, who is married to the Prime Minister's cousin is making news for her attempts to take the Indo Japan Global Partnership (IJGP) to Africa. As our two countries work tirelessly to strengthen the partnership and take it to countries outside Asia, her contribution shall remain valuable. There must be something in 'Kalpana' that makes them stand out, doesn't it? (Remember another Kalpana with a Chawla surname?). Take a bow Kalpana!

Meanwhile, the senior Abe became the third longest serving Prime Minister of post war Japan as he swept the Snap Elections in October 2017. This augurs well for brighter times for the Indo-Japan relationship and both our countries can look forward to some serious ground being covered in the time to come. No surprise that one of the first tweets congratulating Prime Minister Shinzo Abe came from 7, KalyanMarg – the official residence of his dear friend and counterpart, Prime Minister Modi.

Our Centre filled the 2017 calendar with many efforts and activities – some regular and some new – that we can all look back with happiness. We are also so proud that our Chairman, M R Ranganathan was appointed the President of SAFAAS during the convention at Colombo in the month of October 2017 – a true reflection of his contributions not only towards the activities of our Centre but for having touched so many lives that has had an interest and inclination in Japan, its people, language and culture. The entire team at ABK-AOTS Dosokai, Tamilnadu Centre joins me in congratulating him and look forward to several more years of his stellar leadership.

Here's wishing you all a healthy, happy and heart-warming 2018!

Ichinenkantaihenosewaninarimashita.

Photographic Images and Matter: Japanese Prints of the 1970s

--- 23 October to 3 November 2017 ---

The Consulate General of Japan in Chennai, the Japan Foundation, and ABK - AOTS Dosokai, Tamilnadu Centre are organizing an Exhibition "**Photographic Images and Matter: Japanese Prints of the 1970s**", commemorating the "**2017 The Japan - India Friendly Exchanges**" from 23 October to 3 November 2017 at our centre

This exhibition **Photographic Images and Matter: "Japanese Prints of the 1970s"** focuses on print expressions from the 1970s as seen in the work of 14 artists who helped develop a print movement in the world of Japanese contemporary art. The exhibition is divided into two sections "**The Age of Photographic Images**", which focuses on the use of photographic images in the print medium, and "**Images of Autonomous Matter**", which focuses on works that were shaped by the intentions of matter.

"**The Age of Photographic Images**" curates exhibits by artists such as *Tetsuya Noda* and *Kousuke Kimura*. It focuses on the transference of the photographic material/images to print medium. Methods such as silk-screening and photoengraving were employed.

"**Images of Autonomous Matter**" curates exhibits by artists such as *Jiro Takamatsu*, *Katsura Yoshida* and *Lee Ufan*, who were a part of the Art Movement, "Mono-ha" that engaged in Tokyo during the late 1960s and continued well into the 1970s. In these, one can sense a distinctive intention to limit the human manipulation of the corporeal and to grant materials their autonomy. The 1970s mark the emergence of a new trend in contemporary Japanese Art where one can see a visible shift from traditional creation by the hand and an increasing effort to create objective work dispensed of any illusory elements.

The viewers can attain a better understanding of contemporary Japanese art trends of the 1970s – an era that saw audacious departures from erstwhile trends in the west such as Pop Art and Minimal Art.

Ms. Hiroko Taniguchi, Acting Consul General of Japan at Chennai will inaugurate the Exhibition on 23 October 2017. Ms. Kanae Nakaya, Assistant Japanese Language Advisor, The Japan Foundation and Mr. M. R. Ranganathan, Chairman, ABK - AOTS Dosokai, Tamilnadu will preside.
